INSTRUCTIONS FOR COMPLETING INVENTORY CONTROL FORM

The Property Inventory Control Form should account for all non-expendable property acquired by or furnished to the contractor for administrative purposes within this contract period. The proper Request for Purchase of Property should have been submitted to OHFA for approval prior to purchase.

The Awardee is required to complete the following blocks:

- Awardee:** Organization name as shown on Part I of the contract.
- Contract Number:** Number of the contract as shown on Part I of the contract, from which funds were used to purchase the property.
- Item:** List item name; specify type, model; and provide other descriptive information (i.e., Typewriter, Electric, IBM Selectric III, Red, and Serial Number; Desk, Secretarial, Metal, Brown). Serial Number must be listed where applicable.
- Inventory Tag:** Upon receipt of the identification tag ("State of Oklahoma - Property of Oklahoma Housing Finance AgencyCommerce") from the Oklahoma Housing Finance Agency Property Officer, record the tag number in this block.
- Cost:** Cost of the item as listed on the invoice.
- Date:** Date item was purchased (Month/Year).
- Condition:** Using the following condition codes and your own judgment, list the condition of each item:
- N-2** New or Unused Property.
 - 01** Property which has been slightly or moderately used and is still in excellent condition. No repairs are required.
 - 02** Used property still in good condition, with considerable use left before any important repairs will be required.
 - 03** Used property in fair condition and usable without repairs; however, somewhat deteriorated, with some parts (or portion) that should be replaced.
 - 04** Used property which is still usable without repairs, but in poor condition and undependable. (Some parts badly worn and deteriorated).
 - 09** Property in need of repair before using. (Estimated cost of repair ranges from 41 to 65 percent of acquisition cost).
 - XX** Salvage: Property in such poor condition that it would be impractical to repair (repairs or rehabilitation estimated to cost in excess of 65 percent of acquisition cost).

Class, Location, and Owner will be completed by the Oklahoma Housing Finance Agency Property Officer.

HOME MATCH LOG INSTRUCTIONS:

The purpose of this log is to:

- Track by contract all HOME project funds drawn
- Track by contract match liability by draw
- Monitor banked match claims

[A separate entry on the log should be made each time HOME project funds are drawn down from the PJ's HOME Treasury account or each time a match contribution is made to a HOME-assisted or HOME-eligible match project.]

- 1) Enter the 10 digit project number.
- 2) Enter the project address.
- 3) Enter the county of the project.
- 4) Enter the amount of HOME funds drawn for the project.
- 5) Enter the date the HOME funds were drawn down. (i.e. the date the match obligation was incurred)
- 6) Calculate the amount of match liability incurred for a project. [Column 4 multiplied by 25%]
Exception: Project dollars that are drawn during a match reduction time period or match waiver issued by HUD for a particular county or counties.
- 7) Indicate the category of eligible match by listing the appropriate number from one of the categories listed below.
- 8) Enter the amount of match contribution being logged in Column 7.
- 9) Enter the date the match contribution was recognized under the HOME regulations at 24 CFR Part 92.221.
- 10) Note any descriptive or necessary information.

Columns one through six are used to determine the match liability incurred. Columns seven through nine are used to determine the permanent match contributions made to the HOME program.

******* Categories of eligible match *******
