This 16.5-hour comprehensive **ONLINE** course is spread out over **three days** and specifically designed to assist affordable housing professionals in conquering tax credit compliance!

Gary will delve deep into the tax credit regulations while providing real-world examples with practical application. Our interactive and engaging course will incorporate examples, knowledge checks, and poll questions on multiple compliance topics trained to test participants throughout the course.

Attendees completing our training will have a thorough understanding of not only how to maintain project compliance, but why it is so important!

Topics will include, but not limited to:

- Tax Credit Allocation Process
- Development & Lease-Up
- Acquisition/Rehab
- Applications & Eligibility
- Student Eligibility
- Overview of Income Sources
- Leasing & Certification Requirements
- Multiple Programs Compliance

Our course is designed to provide training for those interested in preparation for taking the Housing Credit Certified Professional (HCCP) Exam through the National Association of Homebuilders (NAHB).
