

How to Get Help from Social Security

Social Security is here to help. We want you to know how to get the service you need and to be prepared so we can help you as quickly and safely as possible.

Go online to **SSA.gov**. Our website is the best way for most people to get help.

If you cannot use our website call our National 800 Number (1-800-772-1213) or your local Social Security office for help.

We will schedule an **appointment** for you, **if necessary**, to serve you by phone or in person.

What to Know if You Must Visit an Office:

- **You must have an appointment** to visit an office.
- **Masks are required** for all office visitors and employees, regardless of vaccination status.
- **Visitor capacity is limited** to follow physical distancing requirements. This means **you may need to wait outside**, so plan for cold or bad weather.
- We ask that you **come alone unless you require help with your visit**. If you require help, we can only permit one person to accompany you.

We appreciate your patience and understanding.
