Introduction to the Oklahoma Increased Housing Program

On June 2, 2023, Oklahoma House Bill 1031 became law, which established the Oklahoma Housing Stability Program (OHSP), and further created the Oklahoma Increased Housing Program and assigned administration to the Oklahoma Housing Finance Agency (OHFA). The purpose of the Oklahoma Increased Housing Program is to provide gap financing for the production of rental housing in Oklahoma. The Oklahoma Increased Housing Program will provide ~~an equity financing incentive~~ a 0% interest, 24 month recourse construction loan to for-profit and not-for-profit developers committed to building single-family and/or multifamily rental units across the State.

Funds Distribution

75% of the funds will be set-aside for proposed developments located in Non-Metropolitan Statistical Areas or rural areas as defined by the US Dept of Agriculture (rural areas) and the remaining 25% of the funds will be set-aside for proposed developments located in Metropolitan Statistical Areas (urban areas). Preference shall be given to applicants seeking to build homes and/or multifamily apartment units in communities that have been under a federally declared natural disaster within twelve (12) months of the date of application.

Accordingly, representatives of the Applicant are encouraged to attend the Board of Trustees meeting to answer any questions of the Board of Trustees, and to present evidence and argument in support of approval of the Application, if necessary. The Applicant's representative must be an official of the applicant. The Applicant may also be represented by legal counsel.

Neither an applicant nor members of the public shall communicate, directly or indirectly, with the Trustees regarding an application under consideration by OHFA (except upon notice and opportunity for all parties to participate).

In the event the applicant disputes the recommendation of Staff, the applicant must file **ten (10) copies** of any response(s) to Staff's recommendation, or other information they wish the Board of Trustees to consider, **not less than five (5) business days** prior to the commencement of the **Board** meeting when the Application will be considered.

In addition to the hard copies, applicants must submit an electronic version of the response. If both the hard copy and the electronic version are not received, the responses will not be accepted or considered by Staff or the Trustees.

Funds Availability

OHFA Oklahoma Increased Housing Program Application - Attachment A

Electronic Application Information

OHFA is not responsible for any Internet, computer, and uploading, etc. type of issues. Applicants are advised to upload electronic Application files before the deadline. Your Dropbox Application link will expire on the due date at 3:00 p.m. Central time; therefore, an Application cannot be submitted after the deadline.

Step 1: Request a Dropbox folder for the Application to be submitted by emailing any of the OHFA Allocation Analysts. The assigned folder name will be the “Name of Applicant-Activity-City” (Activity means Homeownership/Rental etc.). Provide this information in your request.

Step 2: The Analyst will “reply to all” in the email folder request by sending a link to the Dropbox folder. The link will be specific to that folder/Application. You can share the link with others. Please exercise caution when sharing the folder link, do not share with anyone you do not want to have access to the folder.

Step 3: Create one PDF document with bookmarks for each tab, even those that are N/A. For each tab, including those that are N/A, create a title page listing the same name as the bookmark name. The PDF should be named the same as the initial folder request, see Step 1 above.

Please use the tabs listed on the submission checklist as a guide for listing bookmark titles and title pages.

TIP: For more information about creating bookmarks see <https://helpx.adobe.com/acrobat/using/page-thumbnails-bookmarks-pdfs.html>.

Step 4: Review PDF file for clarity and verify bookmarks work properly. Verify readability after you scan/prepare a document. If a document is too small, or in any other way illegible, then Staff will not be able to evaluate information or count as submitted. This may cause you to Fail Threshold or not receive points. **TIP: When possible, convert documents directly to PDF, then insert signature pages into the PDF.**

Step 5: Upload PDF Application file. **Once a document is submitted you cannot edit or retrieve it.** If you need to submit a revised Application, then put Revised in the title. **OHFA’s Dropbox system is only for submitting Applications, not a method for Application preparation.**

Step 6: After submission, Applicants receive an email acknowledging successful upload.
